

Sacramento Banjo Band Banjo-Rama Program Advertisements

The Banjo-Rama program is an excellent place to advertise your banjo products, bands, groups, CDs and activities. The program will be placed in the hands of 600 to 1000 banjo enthusiasts. What better place to advertise your wares!

This small brochure illustrates by example the types of ads you can place, and how they may appear in the program.

There are full-page, half-page, one-third-page, quarter-page and business card size ads. There are two formats for quarter-page ads: wide or tall. Full page ads can be placed in full color to enhance the visual impact of your product. All other ads are in gray scale.

Ad Specifications

All ads should be submitted in

1. camera ready copy, or
2. electronic format (.pdf, .jpg, .gif, .tiff, .psd or .ai) with a resolution of at least 300dpi.

The following pages depict the size specifications and prices for ads in the printed program, with examples.

The back of the printed program is available for one sponsor. Ask now to reserve this prime location for your ad!
